CCCP Scholars Program
[2017-2018]

[program information]
UCLA’s Center for Community College Partnerships (CCCP) presents the CCCP Scholars Program. The goal of the program is to motivate, inform and prepare students to transfer from a California community college to selective Top Tier Research institutions such as UCLA. Students in the program have access to our summer and year-long academic preparatory transfer programs which guide students through the community college experience, the application and admissions process, research and pre-graduate opportunities, and career exploration. CCCP Scholars have a higher rate of admission to selective institutions and are eligible for special scholarships. The program is grounded on academic excellence, social justice, and educational equity.

[how to apply]
1) Review requirements and select a summer program;
2) Complete Transfer Admission Planner at www.uctap.universityofcalifornia.edu (CCCP will verify completion before continuing to review your application);
3) Complete online application, including appropriate short answer essays;
4) Submit electronic recommendation form, if required.

NOTE for Returning Scholars:
If you are a current or former CCCP Scholar, you must RESUBMIT a new application and update the Transfer Admission Planner (the recommendation form is waived). Additionally, you will need to attend SITE LITE if you are not applying to or selected for another summer program.

Returning scholars will be selected if they have completed their previous CCCP Scholars agreement successfully.

### [program requirements]

1. One-year commitment (students with 30+ transferable semester units); or two-year commitment (students with less than 30 transferable semester units); **Renew membership every year.**
2. Attend one of the required summer programs (participants are awarded a scholarship to cover cost of program).
3. Attend three Saturday Academies and the Culmination during the academic year which are held at UCLA.
4. Make contact with a peer mentor once a month (October through May, eight 30-minute contacts).
5. Maintain enrollment at a California Community College.
6. Research and apply for at least one Scholarship.
7. Maintain and update contact information (address, current community college, telephone and e-mail address).
8. Report academic and transfer progress each semester enrolled at a community college through UCTAP updates.
10. If admitted and enrolled at UCLA, must make a 20 hour per year commitment of volunteer work with CCCP.

*Failure to meet any of the requirements will terminate participation with the CCCP Scholars Program.*
