**Peer Learning Facilitator Application (cont.)**

**Questions**

1. What is your understanding of AAP, AAP F/TSP, and Peer Learning and how do they all relate? Why are you interested in working for AAP F/TSP Peer Learning?
2. Describe what drives your facilitation pedagogy (sometimes understood as a teaching pedagogy)? How would you explain your role as a “Peer Learning Facilitator” to incoming Freshmen/Transfer students? How would you conduct your sessions? How would you assess the quality of your sessions?
3. What are the main ideas/concepts covered in the following courses? What is your experience in facilitating discussion sessions with a Science focus? How would you incorporate critical thinking, engaged dialogue, and a social justice framework in facilitating discussion related to the complex concepts pertaining to these courses?
  - a. **Chemistry 88/96:** *Chemical Principles*
  - b. **Chemistry 153A:** *Biochemistry: Introduction to Structure, Enzymes, and Metabolism*
  - c. **Life Science 30A:** *Mathematics for Life Scientists*
4. How can a Science curriculum empower entering UCLA AAP students to excel throughout their undergraduate careers and beyond? What do you foresee are the challenges and opportunities that these courses may present to AAP students? How do you anticipate your PLF position in aiding AAP students to thrive in an abbreviated quarter?
5. How can an English Composition course and a Core class work together to build a stronger curriculum than could be built by separate courses? What are some of the difficulties that such an adjunctive curriculum can create? How would you address those problems?
6. F/TSP Peer Learning Training is typically held the week before the start of the program, what are some ineffective components of the training and what are some changes you would implement to make it more effective? If you have not attended an FTSP Peer Learning Training, was there ever a time you had an ineffective training for another job or position and how could you improve it?
7. Describe an instance when you had to overcome a conflict/disagreement with someone you worked with.
8. What do you have to contribute to the F/TSP team? Describe experiences, knowledge, attitude, and skills that make you a good fit for this position. What unique qualities, ideas, energies, etc., would you bring to the team? What are some areas of growth you would like to develop within this position?
