SCREEN SHARING

1. Start the meeting as previously shown.

2. After you start the meeting, you will see a tool bar like the one below at the bottom of the window. To begin sharing select the green button.
3. The next window will give you a list of the windows you have opened. Select the window/presentation you would like to share.

4. After you select the window you would like to share, you will see a tool bar appear above and the video portion of zoom will be moved to the top right hand corner.
