McNair Research Scholars Program

The UCLA McNair Research Scholars Program helps first-generation, low-income, and underrepresented students identify and apply to graduate school programs, conduct independent research projects, and prepare for graduate school entrance exams. McNair Mentors lead seminars, conduct workshops, and hold individual mentoring appointments.

McNair Mentors meet with McNair students to discuss research agendas and the graduate school application process including researching and choosing graduate programs, preparing personal statements and statements of purpose, obtaining letters of recommendation, and funding. Mentors also assist McNair students in developing their research proposal, literature review, and senior thesis. For more information about the McNair Research Scholars Program, please visit our website at <https://www.aap.ucla.edu/programs/mcnair-research-scholars/>
