# AAP Director's Message

**DR. JONLI TUNSTALL**

Dear AAP Community of Scholars,

I am writing to share that after serving as interim Associate Vice Provost of Student Diversity and Director of the UCLA Academic Advancement Program (AAP), I am honored to step into these roles in a permanent capacity.

As a double Bruin, AAP shaped my own experience as a student by providing support and a sense of belonging that allowed me to thrive at UCLA. Those experiences have guided more than 20 years of my work in service of educationally underrepresented students, and they continue to shape my vision for AAP today.

Before stepping into this role, I oversaw AAP's pre-college and summer programs, including the Vice Provost's Initiative for Pre-College Scholars (VIPS) and the Freshman and Transfer Summer Programs (FTSP). During my 18 years with VIPS, we supported more than 600 students with a 51% acceptance rate and an 89% graduation rate. Over the past 11 years, FTSP has helped more than 4,000 students transition into the academic rigor of UCLA.

I am stepping into this role during a challenging time for higher education, where institutions are facing increased scrutiny and we must think boldly about how we support students. AAP has always centered student voices, and we will continue to do so. Please join us in a welcome celebration with AAP staff and scholars on Friday, February 6 from 12pm-1pm in the Learning Pavilion Patio in Campbell Hall during our AAP Administration Community Hour.

I look forward to continuing this work alongside AAP staff and campus partners to ensure our community provides the resources, care, and opportunities students need to thrive.

# Fall Highlights

## FALL OPEN HOUSE

AAP successfully hosted the AAP New Member Orientation and Awareness Fair as part of the UCLA Welcome Week festivities. Nearly 670 enthusiastic new AAP members joined the event, where our dedicated staff welcomed them into their new academic home at Campbell Hall. Our scholars learned about each of our units during our Resource Fair, and bonded over food and prizes. This event marked a fantastic kickoff to the academic year, fostering a sense of community and connection among our newest members.

# Fall Highlights

## WELCOME EVENTS

During Fall 2025, AAP was hard at work sharing information regarding AAP membership and our various services - including our McNair Research Scholars Program. We are grateful for our partners: Students with Dependents, Life Sciences, Transfer Student Center, Bruin Resource Center, First to Go and the Latinx Success Center for giving us the space to recruit during their welcome events.

## FIRST GEN WEEK

This year, AAP celebrated national First-Generation week on Thursday, November 6 with a First-Gen Community Hour sponsored by First to Go. Students stopped by to write affirmations to other first-gen scholars while enjoying Diddy Riese cookies & ice cream!

## BRUIN FAMILY WEEKEND

AAP hosted a family workshop led by our Counseling Director, Vivian Salazar, during Bruin Family Weekend, including a student staff panel. Families and caregivers joined us to hear about AAP services. Special thanks to Zachary Gomez (McNair), Juliette Rodriguez (Peer Learning), Desteny Martinez (Peer Counseling) and Mariah Strawder (VIPS) for offering their tips on utilizing AAP resources!

## AAPAN REUNION MIXER

The Academic Advancement Program Alumni Network (AAPAN) hosted their inaugural AAP Reunion Mixer on Saturday, November 8. This was an incredible opportunity for connection, as alumni from across the years gathered in community with one another. AAP is so grateful to continue to collaborate with our remarkable alumni!

## FALL 2025 RECAP

# Scholarship Reception

A huge congratulations to the 81 outstanding scholars awarded AAP Scholarships this academic year! Thanks to the incredible generosity of our AAP donors and dedicated development team, we were able to award nearly \$350k in scholarships. Their commitment and care create meaningful opportunities for our AAP Scholars for which we are forever grateful.

## VICE PROVOST INITIATIVE FOR PRE-COLLEGE SCHOLARS (VIPS)

VIPS is moving forward strong this academic year! We are proud to share that we have secured funding from LAUSD to continue providing the critical pre-college support to students across LAUSD schools.

Our C19 scholars (high school seniors) have successfully completed their UC and CSU applications and are now actively applying for scholarships to fund their college journeys. Simultaneously, our C20 scholars (high school Juniors) are focused on maintaining academic competitiveness and preparing for their upcoming college application season.

We are also celebrating our C18 scholars, who have completed their first quarter/semester as college students. Those attending UCLA remain actively engaged in the VIPS program through our Education course, where they are learning essential strategies for college success, sharing tools and tips with one another, and taking full advantage of the many resources UCLA has to offer.

We are incredibly proud of their dedication, resilience, and progress of our VIPS scholars at every stage of their journey.
